

MORNING SERMON OUTLINE

WHAT YOU NEED MOST FOR THE COMING YEAR

John 15:1-12

At this time of year, people take stock of their lives and make solemn resolutions to reform and become better people - and then fail miserably! In John 15 Jesus tells us why we fail; and He points to Himself as the source of what we need to be the people God's calls us to be. We need to be part of the living Vine that is Jesus Himself.

- 1. God's Will: That His people be fruitful to His glory**
- 2. But you cannot out of yourself be fruitful.**
- 3. You need to be united with Christ in a living bond.**
- 4. Abide in Christ.**
