#### **3. Proclaim Liberty throughout the land – the liberty Jesus alone gives.**

All mankind, not just Jews in John 8, are enslaved to sin & under wrath.

If **you** have not surrendered to Jesus, repented of your sins, and looked to Him & His work for your salvation, you are a slave to sin.

Our nation is sinking into greater & greater slavery to sin.

The consequence: judgments from God, & greater slavery yet.

unless ... the Lord has mercy and turns millions to Himself in faith.

We do not **need** political messiahs or a reassertion of civil liberties.

We need Jesus Christ to set us free and then reign in our hearts & lives.

Believers in Christ need to proclaim the **biblical** message of the gospel of freedom in Christ.
