Jonah 1:17-2:10, "Salvation Is From the Lord"

Theme: Unlike Jonah's negative example, walk according to your confession that "salvation is from the Lord," recognizing that...

1. His salvation is extraordinary, leading to wonder (v 1.17)
2. His salvation is patient, leading to repentance (vv 2.1-9)
3. His salvation is restorative, leading to service (v 2.10)
