

## SERMON NOTES

### 2 Corinthians 1:8-11: Magnifying God Grace

Paul lays out four testimonies concerning suffering that magnify God's grace

(8-9a): Paul gives them a personal example of his own suffering

(9b): Paul teaches them what the purpose of suffering really is

(10): Paul affirms suffering as the sure expectation for Christians

(11): Paul depends on their help (i.e. prayer of the brethren) in suffering
